Directions

CHASE EXTENSION (Refer to Diagram #6a)

- The Chase Extension can be added after Step #6 in the Chase Installation Instructions.
- The Chase Extension should be installed the same way as the rest of the chase.
- Install extension wall supports above the chase wall supports that were previously installed in Step #2 of the Chase Installation Instructions.
- Install right and left wall extensions as in Step #2 of the Chase Installation Instructions.
- Install back wall extension as in Step #6 of the Chase Installation Instructions.
- Proceed on to Step #7 in the Chase Installation Instructions for ceiling and roofing assembly.
